

HORIZONS FOOTGOLF

FOOTGOLF RULES

FootGolf is a combination of the sports of Football and Golf. FootGolf is played on a golf course, using a football which is kicked along the fairway into larger sized holes. The objective of the game is to score the least number of kicks at the end of a round of 9 or 18 holes.

- NO SOCCER SHOES WITH HARD CLEATS
- The ball must be played in a single movement. You are not allowed to push the ball with the top or bottom of your foot.
- If one player's ball strikes another ball, the ball at rest is returned to its original position
- Play the ball from where it lies - You are not allowed to move the ball except when it obstructs another player's kick in any way, you may mark the spot and lift the ball.
- The player farthest from the hole is the first to kick the ball.
- The player with the best score will kick off first on the next hole
- If the ball lands in a water hazard, you receive a penalty of one shot added to your score. Drop the ball within 2 steps from the nearest clear land point from where the ball entered the hazard, or place the ball at the position of the previous kick.
- If you are not able to retrieve it safely, call the Pro Shop on 4982 0474 for assistance.
- If the ball lands in a bunker, play the ball from where it lies. You must rake the bunker after you play.
- On your score card, record each player's name and for each hole, mark how many kicks were taken. The player with the lowest number at the end of the round is the winner!
- All hired balls must be returned to the Pro Shop to be marked off your booking
- Show consideration for golfers and other players at all times.
